Planning For: State Reporting

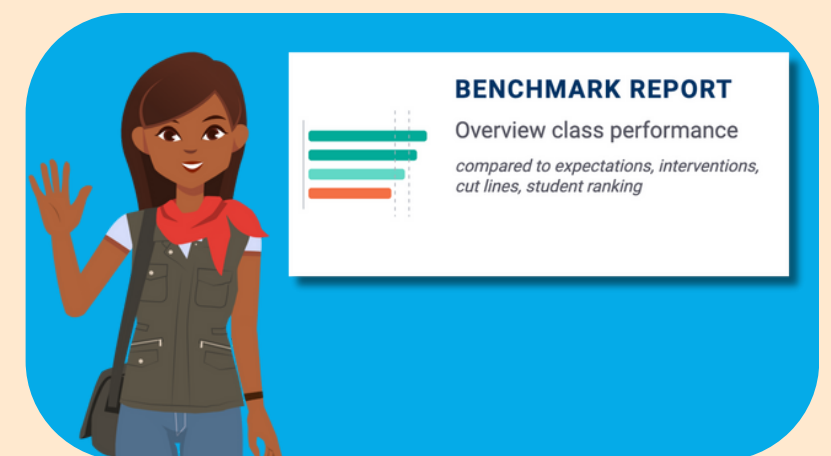

Click on each
report to
access a step-
by-step
walkthrough!

START
HERE

1

Benchmark Report

- See students' most recent assessment data, and check how they're scoring compared to each other and national norms

2

Class Progress Report

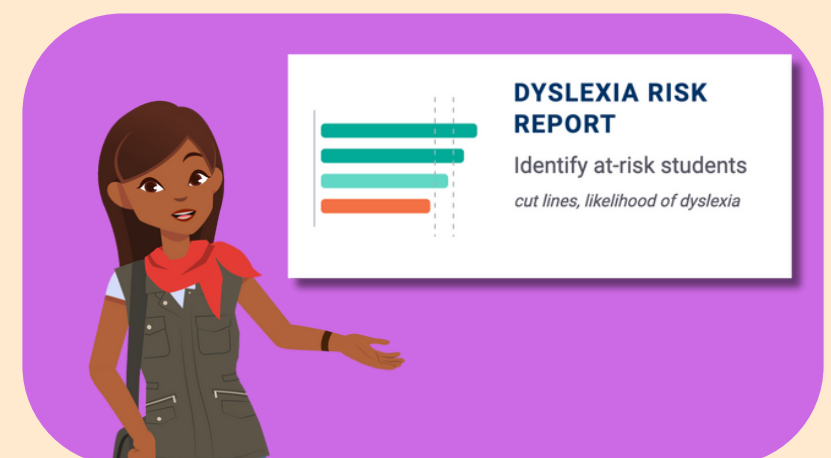

- See students' assessment data across the entire school year

3

Dyslexia Risk Report

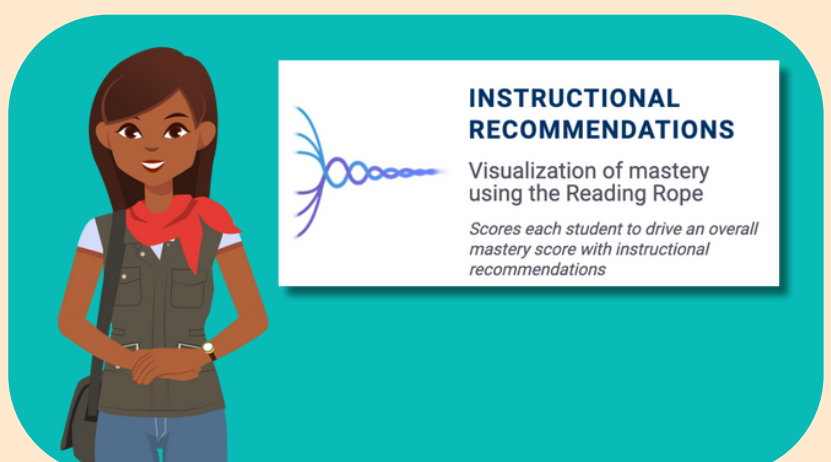

- Check to see if any students have a high risk score for Dyslexia and may need further testing, intervention, or support.

4

Instructional Recommendations Report

- Access instructional recommendations and resources tailored to each student

5

Progress Report

- See an individual student's progress over time
- Check students' predicted ability by EOY

6

Parent Report

- Print and share information with families about students' progress and provide tips for how they can support students' reading at home.
