HERE

1

Benchmark Report

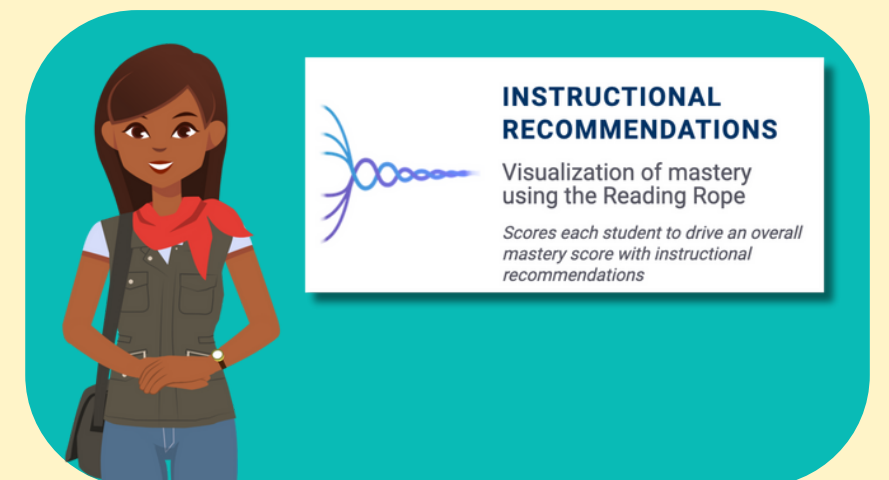

- See how your student is doing compared to other students in the class and compared to national norms
- Check your student's ARM score (Amira Reading Mastery) – [click here to learn more](#)

2

Instructional Recommendations Report

- See an overview of instructional recommendations for your student
- Click on any skill to access resources for teaching it

3

Progress Report

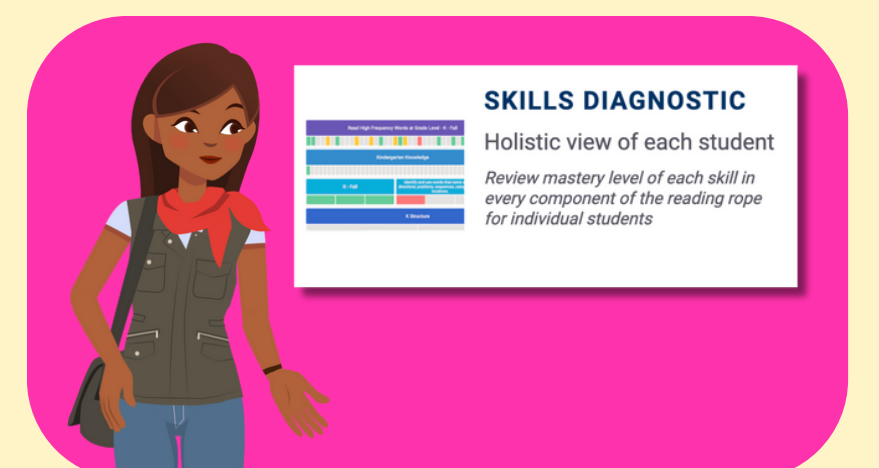

- See your student's progress over time
- Check your student's predicted ability by EOY
- Listen to recordings of stories your student has read

4

Skills Diagnostic Report

- See individual reading skills across the Reading Rope your student has mastered, is developing, and has not yet developed.
- Click on any skill to access resources for teaching it

5

Parent Report

- Print and share information with families about your student's progress and provide tips for how they can support their student's reading at home
