6 Tips for Reading with Amira on iPads

01 USE SAFARI

When reading with Amira, we recommend students use an updated version of Safari as their browser instead of Google Chrome.
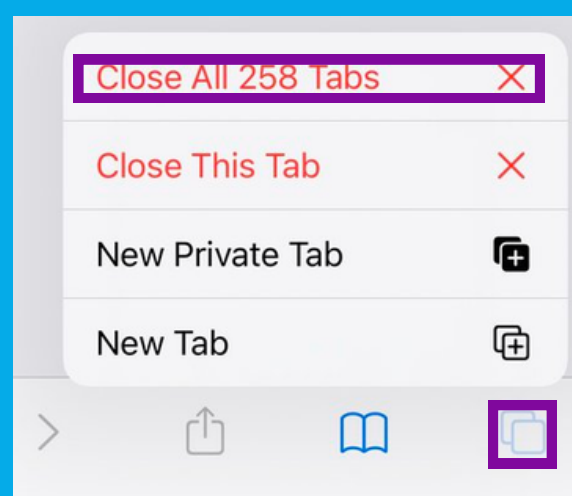

02 CLOSE ALL TABS & APPS

Close tabs: tap the tab icon next to the book icon. Hold it down and then click "Close all *xx* tabs" in the popup.

Close All 258 Tabs	✕
Close This Tab	✕
New Private Tab	🗗
New Tab	🗗

Force close all apps: double click the home button and then swipe up to close apps. Then try again.

03 CLEAR HISTORY

1. Go to *Settings*
2. Tap *Safari* on the left side
3. Click "*Clear History*" and "*Website Data > Clear*"

04 KEEP TABS CLOSED

Set up student iPads to clear tabs automatically each night:
1. Go to *Settings*
2. Tap *Safari*
3. Tap *Close Tabs*
4. Select *After One Day*

Close Tabs
