# 5 Ways to Track & Celebrate Progress on Amira

1

Grade Level Competition

Monitor each grade level's stories read per week on the Admin Dashboard. Provide a reward every Friday for the grade level with the most minutes read!

2

1M

1 Million

Set a school-wide goal to read 1 thousand or 1 million minutes. Have a celebration when you achieve the goal.
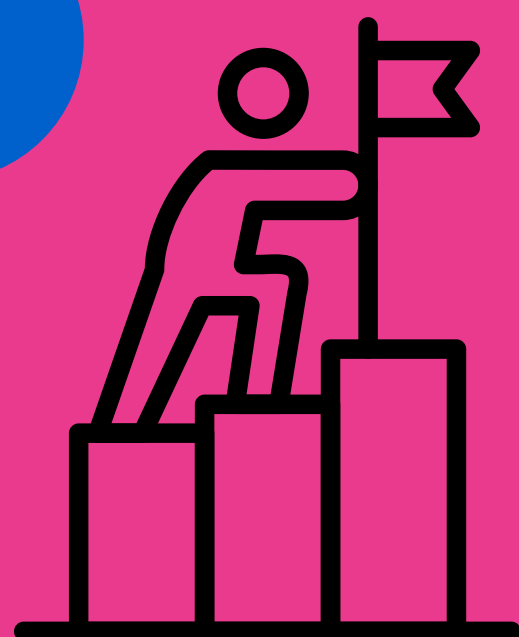

3

Stories Goal

Set a goal to for students to read 10 stories each week. Celebrate each time 100% of the class meets the stories goal!

4

Race To 100

Set a class goal to read 100 stories total. Have students cross off a number on a hundreds chart each time they complete a story. Celebrate when your class gets to 100!

5

100%

During your Benchmark Assessment window, set a goal for 100% of students to complete their assessment and try their best. Track completion on the Admin or Teacher Dashboard, and celebrate when either your whole class or your whole school has completed the assessment!
